Pay and Allowances

The Westminster Bank is in a position to receive military and other pay and allowances and to credit these to any of its branches upon the necessary instructions from an Officer to his Command Paymaster or Army Agent. Amongst its less familiar capacities, the Bank is able to arrange periodical payments by Agents abroad and conversely, to receive money sent from overseas for forming a capital basis which is secure and accessible. It will also undertake regular payments at home such as club subscriptions, insurance premiums and school fees, and will accept Powers of Attorney to deal with customers' investments during absence abroad. It will further undertake the Executorship of Wills, eliminating thereby all personal risks such as the death of a Trustee, at the same time ensuring proper management of the financial details. In all business transactions the Bank is glad to be used by its customers throughout the whole scope of its activities

ARMY PROMOTION EXAMINATIONS

Specialised Postal Coaching Service.

THE Metropolitan Services College provides for Officers at home and abroad, a Specialised Tutorial Service which is *immeasurably more efficacious and convenient than any other army coaching facilities available.*

In respect of the examinations for promotion to the rank of Captain, the College Postal Courses provide *complete* tuition in respect of the following subjects:—

(i) Organisation of Regimental Duties in Peace.
(ii) Military Law. (iii) Military Geography.
(iv) Military History. (v) Tactics, Adm. of Troops, etc.

The College Study Notes. The copyright Study Notes issued by the College are not mere directions indicating which portions of a particular text-book should be read, but are exhaustive and complete treatises, which summarise, expand and helpfully illustrate the prescribed text-book reading.

Test Examination Papers. At the conclusion of each Study, a Test Examination Paper is worked by the Student and forwarded to the College. These test papers are personally corrected, criticised and advised upon by most highly qualified military tutors, and the papers are returned with complete model answers to all the questions set. These test papers are invaluable as an aid to confidence, accuracy and speed in the examination.

Write TO-DAY for a free copy of the descriptive "Guide to the Army Promotion Examinations," and for a specimen lesson. By so doing you will not incur any expense, nor will you place yourself under the slightest obligation to enrol.

NOTICES.

Under the provisions of the Army Act, 1881, Section 163D, this Army List is evidence of the status and rank of the officers mentioned in it.

No Army List, except this List and the Half-Yearly List and their Supplements, is authorised by the War Office.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Officers whose names are printed in *italics* are on the supernumerary or seconded lists, except in the Colonels' List where Brevet Colonels are so indicated.

In regimental lists of Foot Guards and Infantry an officer's battalion is indicated by a number in elliptical brackets, *e.g.* (2), after his name; a number enclosed in square brackets, *e.g.* [2], denotes that the officer is *attached* and not posted.

Communications from officers of the Militia, Territorial Army and Supplementary Reserve regarding the entry in this publication (*a*) of letters denoting military qualifications, and (*b*) of the symbol ⚔ denoting War Service, should be forwarded *through the usual official channels*. Other communications regarding alterations, errors, or omissions should be addressed direct as follows:—

THE UNDER-SECRETARY OF STATE,
The War Office,
Army List. *London, S.W.1.*

Officers who succeed to peerages, baronetcies, or courtesy titles are responsible for immediately notifying the fact to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army List and in the official records of the War Office.
